Introduction

Hello, and welcome to the 2nd Seren Roberts Memorial Trophy help by Cardiff and Newport SANDS here, at Peterstone Lakes Golf Club.

I would like to thank you greatly for your participation in today's event.

SANDS is an organisation which can offer you support when your baby dies during pregnancy or after birth.

The death of a baby is a devastating experience. The effects of grief can be overwhelming and parents, their families and friends can be left feeling dazed, disorientated, isolated and exhausted.

At Sands there are people who understand what it's like because many of us have been through this experience ourselves, and we are here to help offer support and information when you need it.

As well as supporting mothers and fathers, we are also able to help other members of your family, especially grandparents and other children. Many people may be touched by your baby's death, including friends and health professionals, and all are welcome to contact us for support and information.

At Cardiff and Newport SANDS, we hold monthly support meetings and help fund support packs and memory boxes for bereaved parents at the University Hospital of Wales, Cardiff, and the Royal Gwent Hospital, Newport. Last years' event funded a Bereavement Suite at The Royal Gwent Hospital, and paid for a cold-cot, enabling parents to stay with their babies that little bit longer. Thank you for all your support.
